## Chapter 1 by Sophia Mathis

We all have the Davids and Goliath's in our lives. The good and the bad, the dark and the light, the impossible and possible.....

But, our Goliaths must be defeated. Only you can do that. For you and for everyone else. Some Goliaths are bigger and stronger than others.

Here's my story about how I defeated my Goliath.

## Chapter 2 by -

From the moment he laid eyes on me, I knew we were attracted to one another. We were in the same classes, and at all the same sports games. In fact, I would only learn about it later.
